

## *Holidays for Horses*

***The horses and ponies at The Stable at Lord Stirling Park are well-fed and well-cared-for, but in this season of giving, we thought we'd pamper them and reward them with some gifts. For example:***

- ***A new saddle pad that is raised above the withers rather than lying flat***
- ***A new girth to replace one that works, but has buckles that got bent in the dryer***
- ***A new halter to replace one that's faded***
- ***Treats, that no one needs, but, well, it is the holidays...***

***Here's how it works:***

***Take a tag from the tree, one with the name of your favorite horse or pony, or one you haven't met yet (we can assure you they've all been good).***

***Place the tag and your donation in an envelope and place it in the red box, or hand it to the elf standing near the tree. Make checks payable to "FLSS" with "Holidays for Horses" on the memo line.\* We'll also take Venmo.***

***We will shop for you. You don't have to give the full purchase amount. Any donations toward the item on the tag item WILL be used toward its purchase. The tag will be returned to the tree with the remaining balance noted.***

***If you don't have a favorite horse or pony, or if that horse's tag has already been taken, or if you love them all equally, you can also take a "where needed" tag and your donation will be used toward purchases for the herd in general.***

***Thank you for your support! Happy Holidays!***
